Nice to meet you or Hello. I'm Kiriya Maki.
I thought I could do an all-character book, so I drew a lot of adult characters on the cover, but it all turned out mediocre, so the stories might not be about so many people. I'm sorry...
so (?) I did a manga on Loki & Heimdal and Loki & Yamino, but things don't go exactly right in this world... I'll try my best. One of these days. I'd be really happy if you could have a bit of fun reading this book.

I know there are people who became a fan through the anime or who are just anime only people, so here's a little warning. The story and the characters are all based on the books. If you've only seen the anime, there may be some parts that are confusing.

See you next time,

INFORMATION

The events I participate in are the summer and winter comic conventions, and sometimes at SEC (Tokyo and Osaka). For the comissioned events like Gatakettо, I've comissioned bookstores such as "Tora no ana" and "Melon books". The circle name is "Nazo Nazo Magicians".

The activity genre is "Mutantei Loki" as main, and also a game book for "Japan Software". I can't do everything at once, so this is it for now

I'm not doing mail order nor shipping such as paperwork right now. for mail order, ask your bookstore and use the paper required by the event. for stuff like application, stocking, and handling, please use the the paperwork from the event.

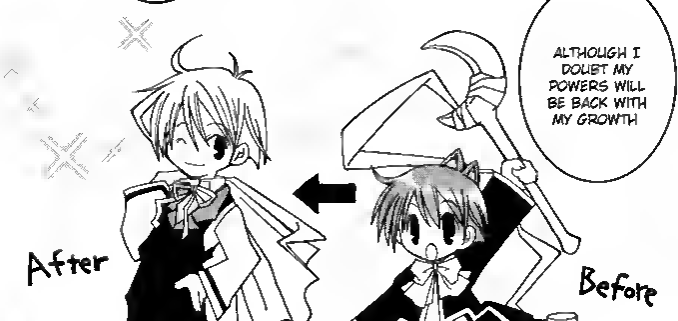
I GUESS.
AND FREY'S JUST HERE ON A VISIT SO HE'LL PROBABLY STAY THE SAME
BUT REIYA IS TRANSMIGRATED, AND HEIMDALL WAS DROPPED
SO THEY MIGHT GROW.

BUT WHAT ABOUT ME AND NARUGAMI-KUN?



ALTHOUGH I DOUBT MY POWERS WILL BE BACK WITH MY GROWTH
After
Before

IF I'M STILL LIKE THIS AFTER 3-5 YEARS,
THEN WE CAN'T STAY.
YES.
ALTHOUGH I CAN GO ANYWHERE AS LONG AS I'M WITH LOKI-SAMA,
IT WOULD BE SAD TO NOT SEE MAYURA-SAN AND KOUTAROU-SAN

UH HUH
I WAS PLANNING ON RETURNING TO ASGARD AS SOON AS POSSIBLE,
SO I DIDN'T EVEN THINK ABOUT IT.
.....
?!
LOKI-SAMA!
LET'S DO MANY JOBS AND COLLECT THE EVIL!!

WITH LOKI-SAMA'S POWER,
YOU CAN SHAPESHIFT AS MUCH AS YOU WANT.
SO IF YOU WISH TO STAY IN MIDGARD,
THEN YOU CAN.
IF THAT'S NOT ENOUGH, YAMINO WILL MAKE MEALS WITH LOTS OF CALCIUM.
LET'S EAT A LOT AND GET JOBS DONE.

victory
IT'S A WIN-WIN SITUATION.

RIGHT, LOKI-SAMA?

... THANKS YAMINO-KUN.

...BUT THESE PEOPLE ARE STILL AMAZING.

END

This is the end. This is a pretty thin book, but how was it? Speaking of which, I've been in this genre for almost 3 years and this is the first time I drew Hikari-chan [who?] with Awakened Loki together (although the Awakened Loki don't really count.) I can't really draw beautiful people, so I don't unless absolutely necessary. Even though I can't draw beautiful girls and yet forces an absolutely necessary to appear so I can draw them

I think my next book will be Loki too but the new one will only appear twice at the summer and winter comic convention. This time, they weren't on the front cover so I left them out, but I 'really' want to draw the Norn sisters, so next time, I'll draw the Norns (and Loki) and have it be a thick book but it may just end up haphazard. If you're interested ever again, please find a space for it.

See you next time
